**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose SONIC as my telephone and internet provider because I was getting poor service AND terrible speed with AT&T.

I say NO to price hikes that will increase the cost of internet and telephone services AND decrease customer service and quality of service. As a retiree on a fixed income it's critical to our home.

We were previously with DSL so we know and have experienced the difference. Don't lett big business own your decision.

Sincerely,

Kathy Bushman
